ALMA MATER

To Juniata, College dear,
In praise we raise our song,
The place of loyal hearts and cheer,
Which we have loved so long.
We love the pathways to and fro,
The classrooms and the halls;
We'll ne'er forget tho' far we go
The days within her walls.

FOREWORD

You, the Seniors of Juniata College, have watched your life on College Hill fly by unceasingly . . . to most of you it has been a time of events and experiences long worth remembering . . . then, too, it has been a passing of time itself . . . a period which can be presented to you by the use of bells . . .

The sound of bells sings out of success, triumph, challenge and promise . . . whether it be the gala ringing out of the old year with the ringing in of the new . . . the resounding peal of church bells calling us to worship . . . to some, the glorious sound of wedding bells . . . or, simply, the harsh bell announcing the end of an hour of class . . .

We, the editors and staff of the Alfarata, have attempted to recapture for you a living picture of your college life . . . outstanding social activities and memorable athletic events . . . candid shots of everyday happenings . . . this and more, all told through bells . . .

As these pages unfold before you it is our hope that you will find within them a part of your life which should never be forgotten . . . a time of disappointment and anxieties . . . a time of excitement and happiness . . . to you, the Class of 1961, we present . . . Your Life Through Bells . . .

ADMINISTRATION

NEW SCIENCE BUILDING
JUNIATA COLLEGE

PRESIDENT CALVERT N. ELLIS

President Calvert N. Ellis is the sixth person to head the administration of Juniata . . . traveller . . . lecturer . . . administrator . . . friend . . . these are but a few of the many positions which he fills . . . he performs his various duties and fulfills his responsibilities well--employing keen judgment, willingness, integrity and ability . . .

Although much time must be spent in his scheduled activities . . . he is never too busy to become genuinely interested in and familiar with each individual student . . . he is an avid supporter of all extracurricular campus events, whether athletic or social.

Juniata College is fortunate in being headed by President Ellis . . . a man of dignity, congeniality and understanding . . . a man who is certain to contribute as much in the coming years as he has in the past toward maintaining the reputation which this institution on College Hill has . . .

DEAN MORLEY MAYS

Academic dean of the college is Dr. Morley Mays . . . a member of the administration since 1948 . . . his daily schedule is filled with advisory conferences, meetings and office work . . . he uses his doctorate in philosophy in the classroom for he is also a part-time member of the faculty . . . he welcomes into his office any student who has a criticism of the academic program . . . immediate action is taken if the complaint is justified . . .

Dean Mays keeps in close contact with the student body through his appearances as a speaker in chapel . . . he arranges appointments with freshmen so he may discuss with them any problems they may have . . . his schedule also includes speaking to alumni groups as well as filling the pulpit in near-by churches . . . he is, without a doubt, a man ably qualified to be second in command . . .

Men students are fortunate in having as their dean . . . PAUL M. HEBERLING . . . known as friend and advisor to all . . . he is never too busy to offer counselling to those who request it . . . psychology and sociology have been his main interests and he takes time from his busy schedule to teach courses in these departments . . . in addition, he serves as director of the placement bureau . . . Dean Heberling's interest and understanding are traits which have made him so well liked during the four years he has been with us . . .

Familiar to all women students as friend, hostess and counselor . . . her duties as Dean of Women are many and varied . . . but she still has time to step into the role of lecturer for an academic business course . . . she serves as Senate advisor . . . and Campus Judiciary administrative member . . . completing her second year at Juniata is MISS CHRISTINE YOHE . . .

Dick George—*President* (not pictured)

Bells sounding forth of success . . . the sound of the class of '61 . . . four wonderful years at Juniata are behind you but the future lies ahead . . . your life here has been full but the rewards have been innumerable . . . usual campus activities such as athletics, plays, student organizations and campus functions have felt your influence . . . your Freshman year was initiated by the Asiatic flu and crowned by the winning of All-Class Night with your presentation of "The Cock Crowed Twice" . . .

You shared in class picnics, parties, Mountain Days and Christmas decorations . . . we saw your class active in Senate elections . . . you gave your best to the May Courts and honored Jean Davies with the title of Homecoming Queen . . .

Now this must be left behind . . . you are at the end of four years filled with new experiences . . . you have made lasting friendships and important decisions . . . you have met with both failure and success . . . and now, you have reached that far-off goal . . . college graduation . . .

Your college years have ended but a final bell rings . . . and you step into the future . . . holding high ambitions for the coming years . . . though College Hill will soon become a memory . . . may a portion of it stay with you always . . . carry your success proudly . . . Class of 1961.

CLASS OF 1962

CLASS OFFICERS

Linda Reidenbaugh—*Secretary*
Mike Kolitsky—*Vice President*
Serb Evasovich- *Treasurer*
Phil Rohm—*President*

Bells sounding forth of triumph . . . the sound of the class of '62 . . . as they ring, stop to meditate . . . what lies behind you . . . those first frightening steps into campus as quaking frosh . . . the trepidation of facing Freshman Court and initiation . . . the satisfaction of seeing your class so united in All-Class Night . . .

Your Sophomore year was completed when you were granted permission to hold the first off-campus party . . . the admiration and respect which you gained from the administration as a result of this party was tremendous . . . your class has been well represented on the May Courts by Jeannie Whittenberger, Betty Scott and Linda Mitchell . . . you did an outstanding job when you depicted J.C.'s first Homecoming on your Homecoming float . . . your class had every right to be thrilled with the success you had in transforming Tote into a ski lodge at Christmas time . . . there can be no doubt in anyone's mind that you deserved every bit of the winning prize money . . . this junior year has been one in which you brought forth your leaders to govern Student Senate . . .

All of this has passed . . . the ringing of the bell continues for so much is yet to come . . . you have a strongly united class . . . one of which you may be proud . . . triumph has been your master . . . may it continue to be so . . . Class of 1962.

CLASS OF 1963

Liz Peterson—*Secretary*
Dale O'Connell—*Treasurer*
Barry Moore—*Vice President*
Dave Oliver—*President*

Bells sounding forth of challenge . . . the sound of the class of '63 . . . your theme is a paradox . . . breaking tradition because you carry out tradition . . . as frosh, you won the Christmas decorations contest, thanks to the Huntingdon fire department, with a festive wreath adorning Oller Hall . . . as sophomores, amidst echoes of one, two, three, heave, we saw you pull the fighting frosh into Muddy Run and, as a result . . . Sophs Win Games!!! we found some of your members in Hawaii at the time of your first May Day . . . the girls performing the hula and the fellows, well . . . they did too with the aid of hula hoops . . . Elaine Brittingham and Joan Hively were your representatives to the May Court that year . . .

Oller Hall was the stage for "The Verger," your All-Class Night skit . . . clear across campus is North Dorm, site of the Bermuda Hop which you sponsored for the student body . . . you had your class picnic at Paradise and enjoyed sundown singing on the beach . . . then came the frosh . . . tied and socked . . . you saw your duty, used your originality . . . and arranged unique entertainment for upperclassmen . . . your sophomore year saw more innovations . . . floats for Homecoming were begun and you engineered locomotive No. 63 onto College Field . . . and, finally, the first honor organization for sophomore women was initiated . . .

One-half of your stay on College Hill has been completed . . . you have shown us that you are capable of breaking tradition . . . the type for which you receive praise . . . challenge has been your password . . . and you have accepted it . . . now may you use it to guide those that follow . . . Class of 1963.

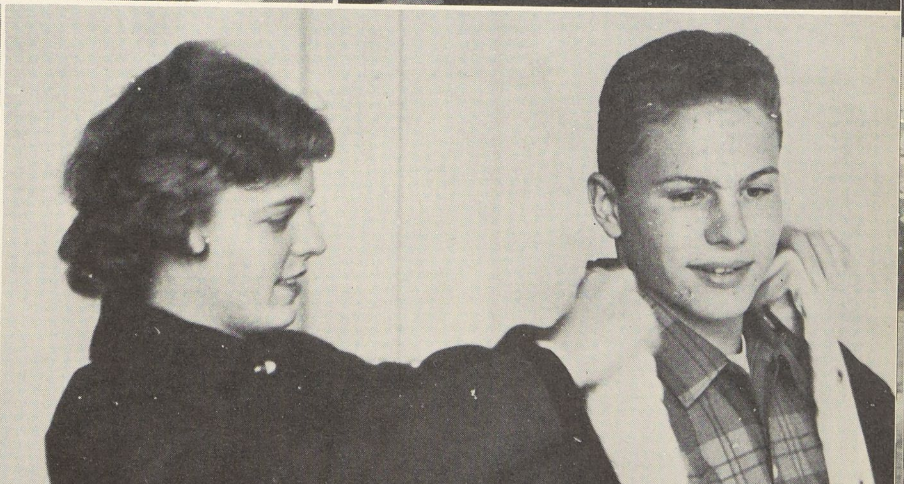
How long do you leave this beauty mask on?

Contrary to popular opinion, JC women do!

Too close for comfort.

I was afraid he'd find me here.



The exception rather than the rule!

CLASS OF 1964

Emmy Nittel—*Secretary*
Cam Mauger—*Treasurer*
Don Detwiler—*Vice President*
Bob Fulks—*President*

Bells sounding forth of promise . . . the sound of the class of '64 . . . to many, the arrival at Juniata represented a dream come true . . . you suffered through Freshman days and attempted to find some time for sleep in your busy schedule . . . you discovered Snowflake Lake, only to label it "the muddiest place in existence" . . . your revolt would have been quite successful had not so many of you signed out for Round Top . . . you endured Freshman Court and then laughed while your classmates performed during the evening shows . . . Homecoming and Parents Day provided a study break and gave many of you a chance to see a familiar face or two from home . . .

Your class had many of its members active in the cast of "Wonderful Town" while your own Marion Kercher had a leading role . . . Oller Hall was made a bright spot on campus during Christmas through the efforts of your class . . . a new status was accorded to you at Move-Up Day when you officially became recognized as upperclassmen . . . you enjoyed practicing All-Class Night for here again your class was given the opportunity to unite . . . Spain was the theme of your first May Day week-end and you had your own representatives on the May Court . . . at last came finals and you learned that, "As one sows, so shall he reap" . . .

We have observed you in action . . . may your unity and strength remain with you during your college life . . . for in the distance we hear ringing . . . the bell of promise . . . Class of 1964.

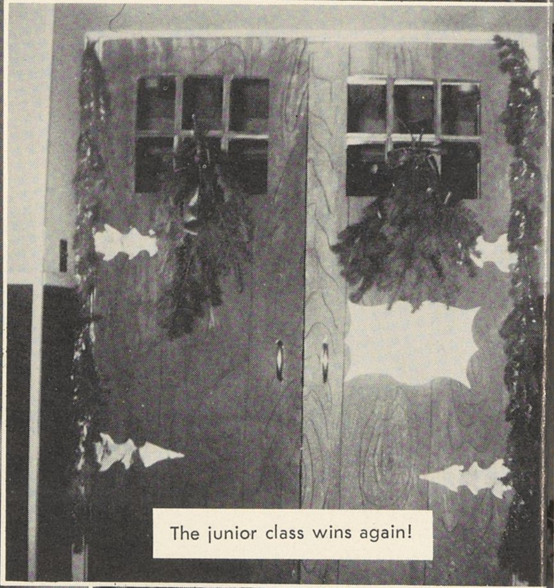
KENNEDY FOR PRESIDENT

This "man on the hall" bit is really getting ridiculous.

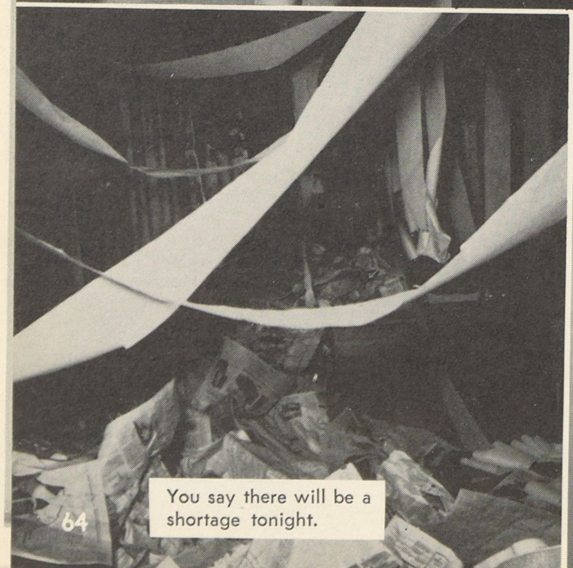
WHEN IS A SUIT A SUIT?

That's what you get for sleeping in Sunday morning!

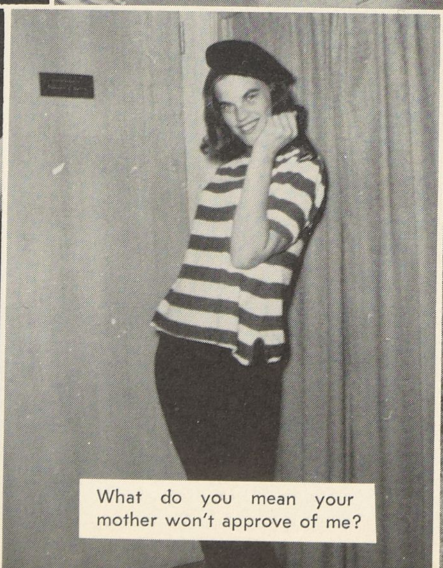


The junior class wins again!

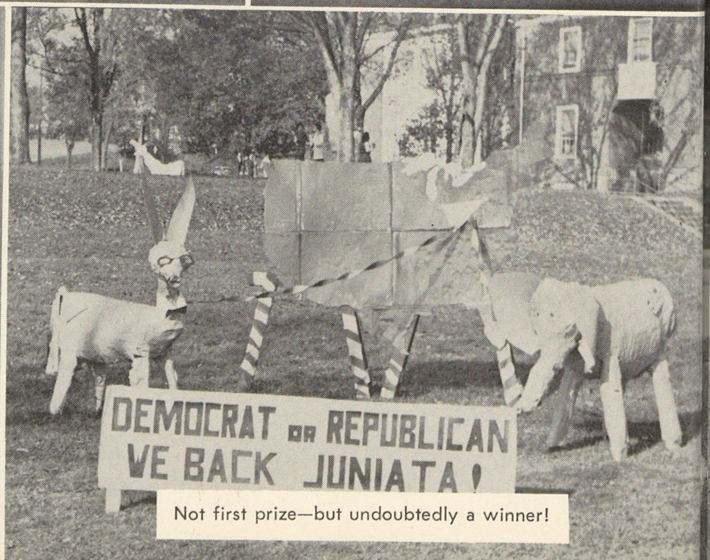
Ditto.



You say there will be a shortage tonight.



What do you mean your mother won't approve of me?



DEMOCRAT OR REPUBLICAN
WE BACK JUNIATA!

Not first prize—but undoubtedly a winner!

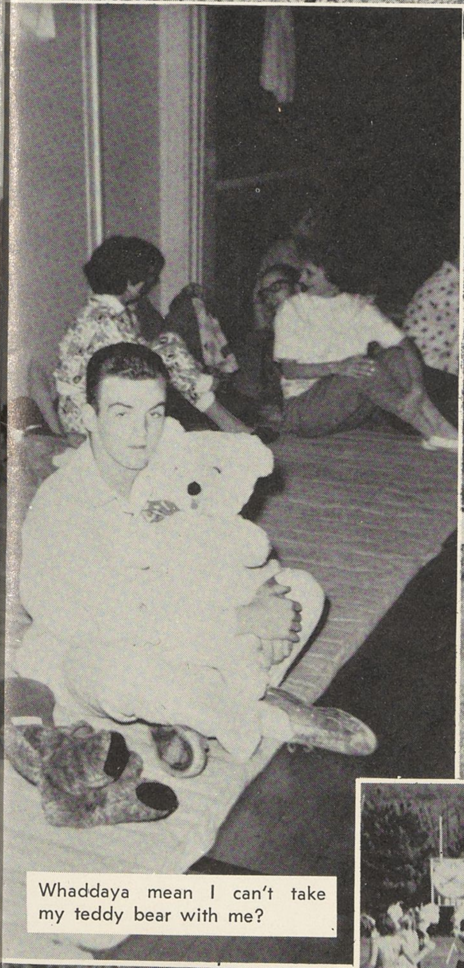
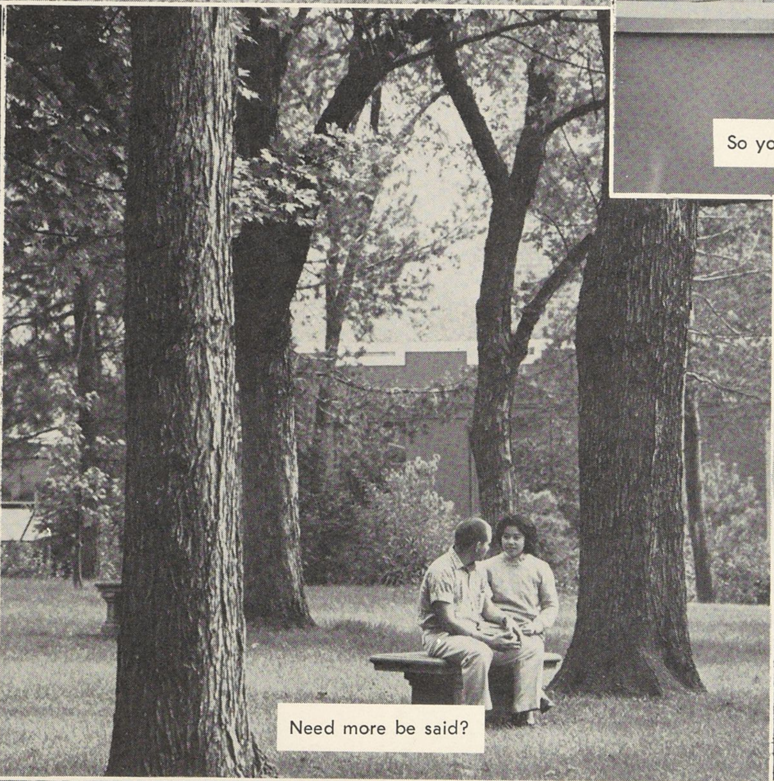
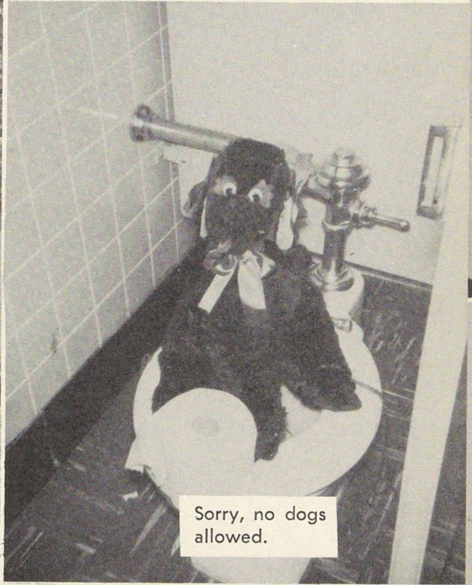
So you think you know all the answers, frosh?



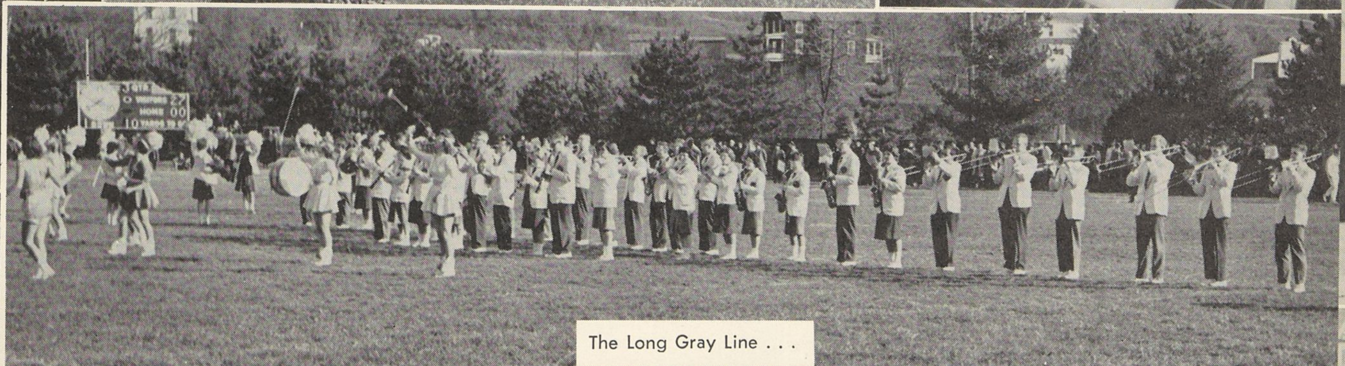
Whaddaya mean I can't take my teddy bear with me?



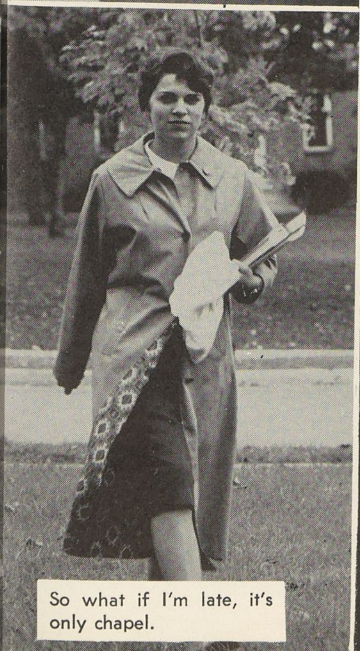
Need more be said?



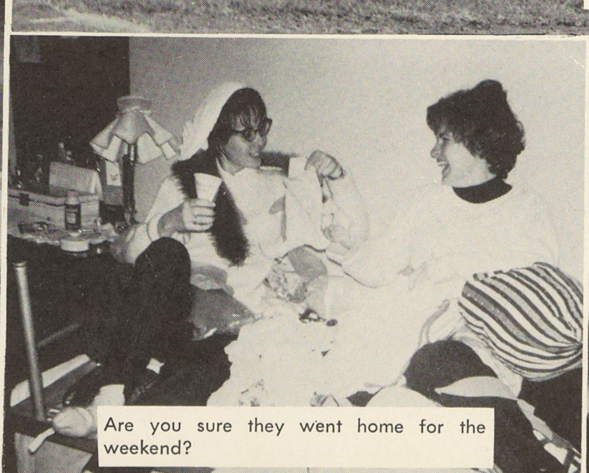
Sorry, no dogs allowed.



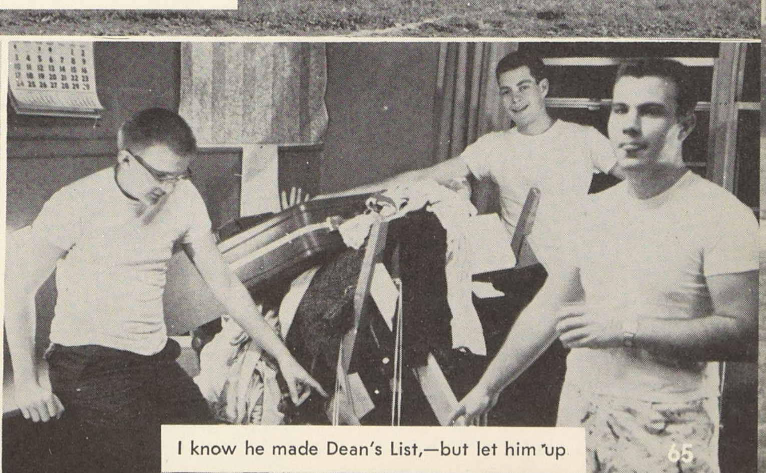
The Long Gray Line . . .



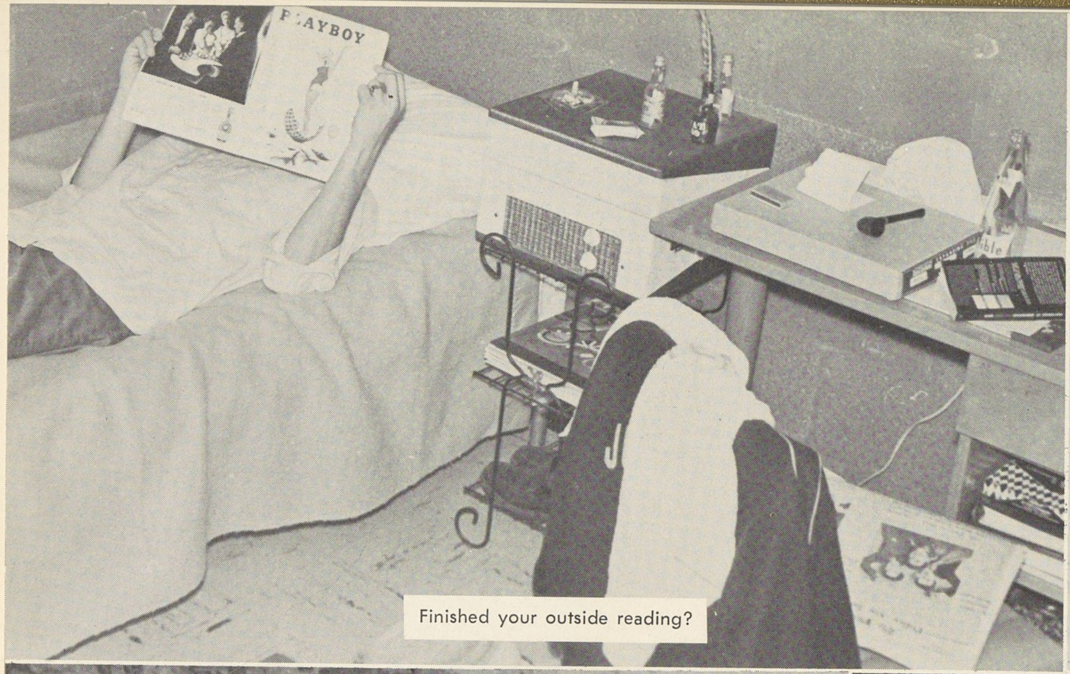
So what if I'm late, it's only chapel.



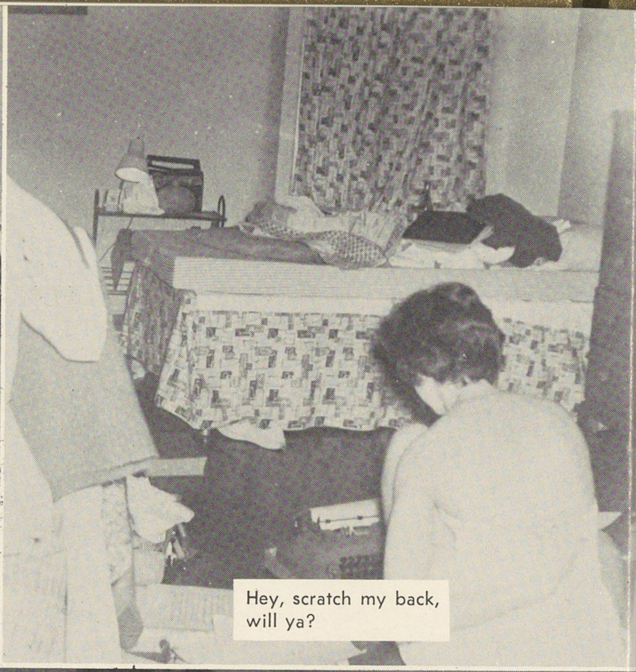
Are you sure they went home for the weekend?



I know he made Dean's List,—but let him up

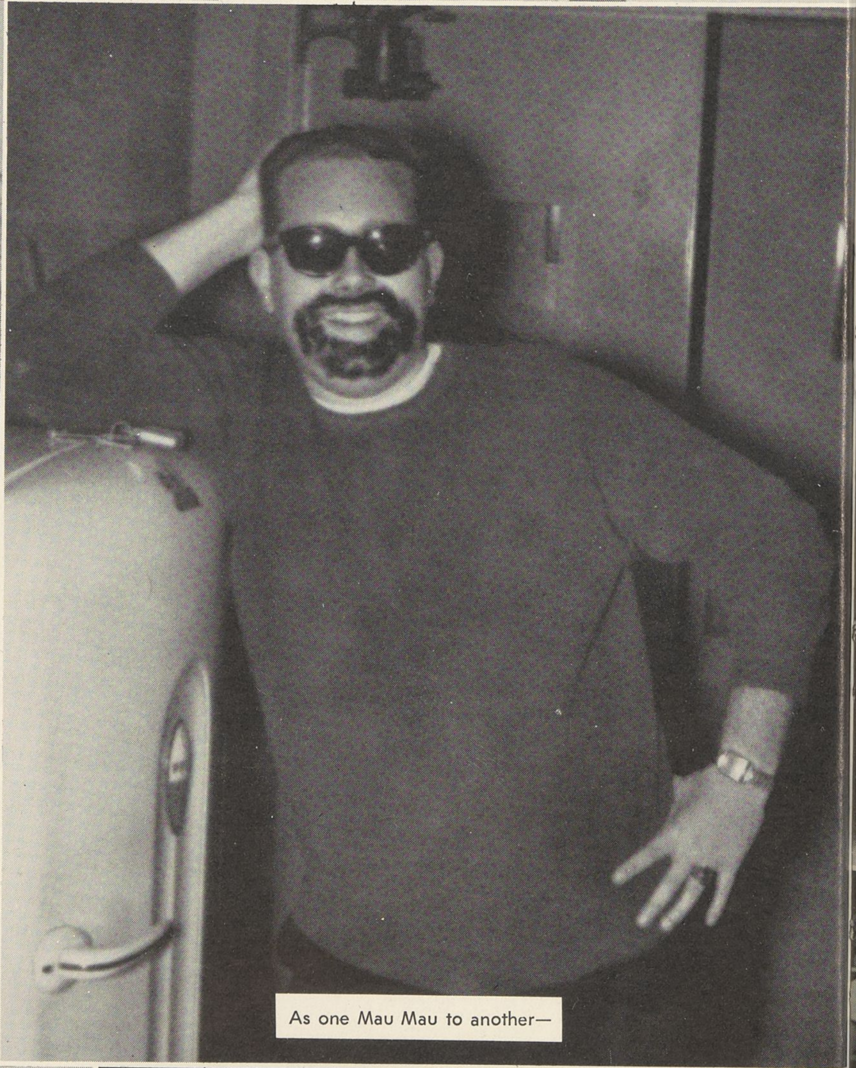


Finished your outside reading?

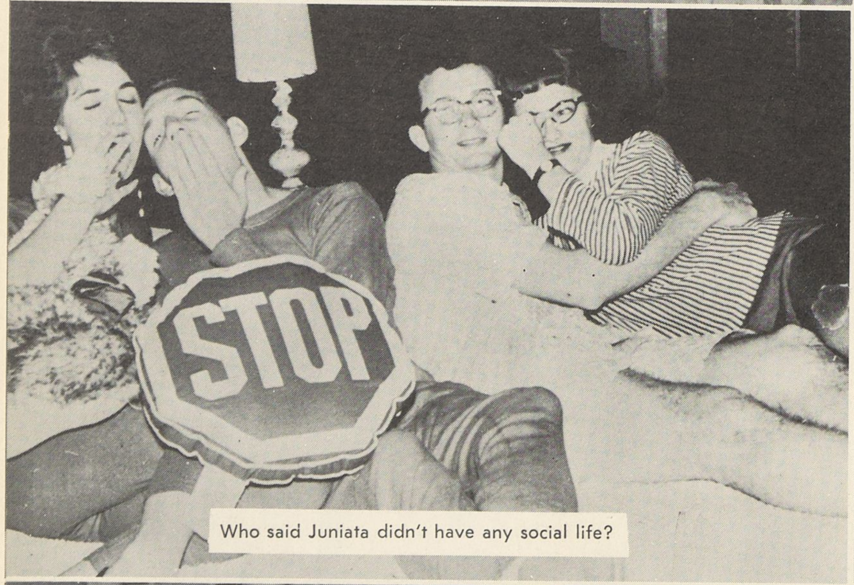


Hey, scratch my back, will ya?

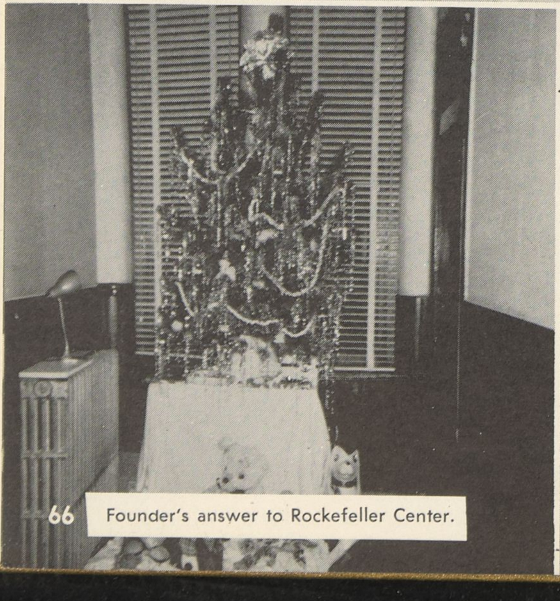
I can't seem to find it!



As one Mau Mau to another—



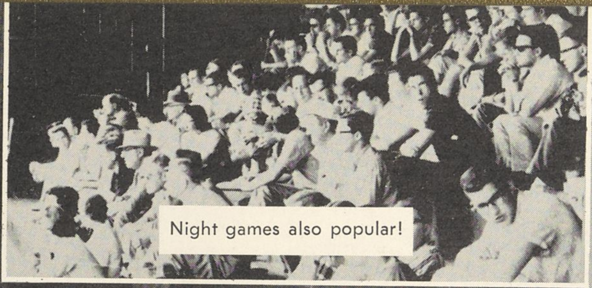
Who said Juniata didn't have any social life?



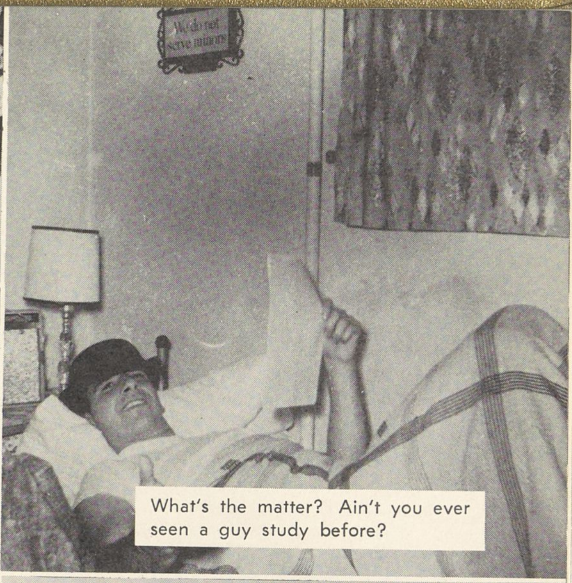
Founder's answer to Rockefeller Center.

Got any wash, or ain't ya?

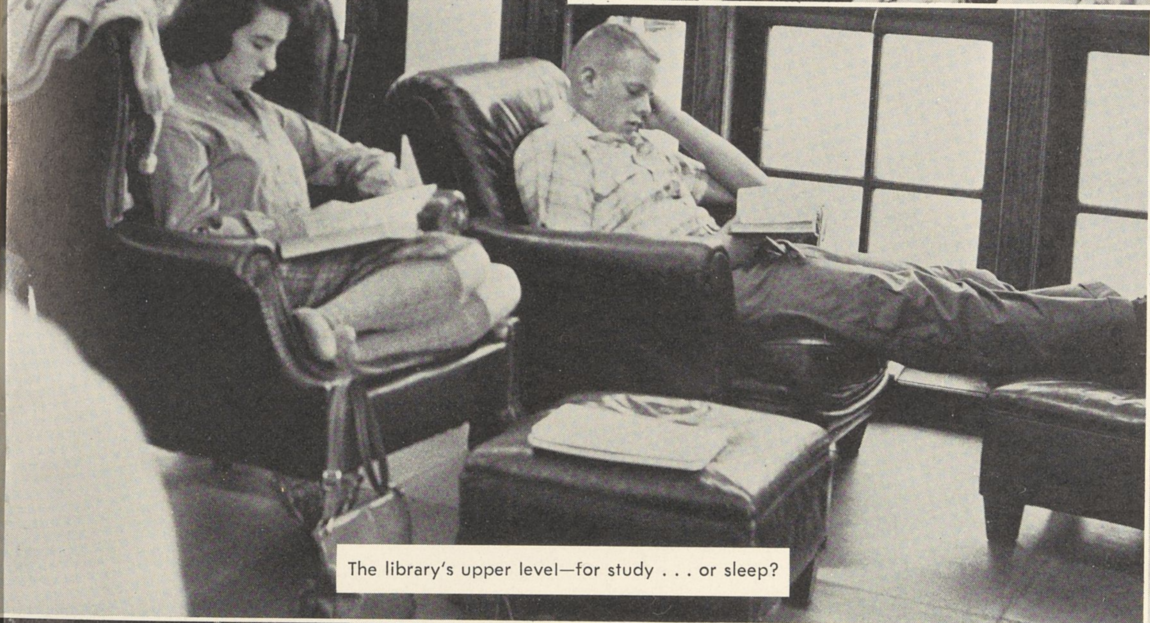
Gee, fellows, I didn't know you could cook.



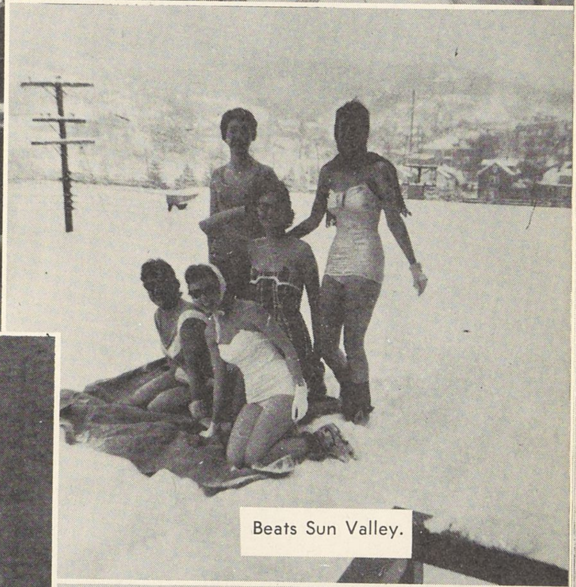
Night games also popular!



What's the matter? Ain't you ever seen a guy study before?



The library's upper level—for study . . . or sleep?



Beats Sun Valley.

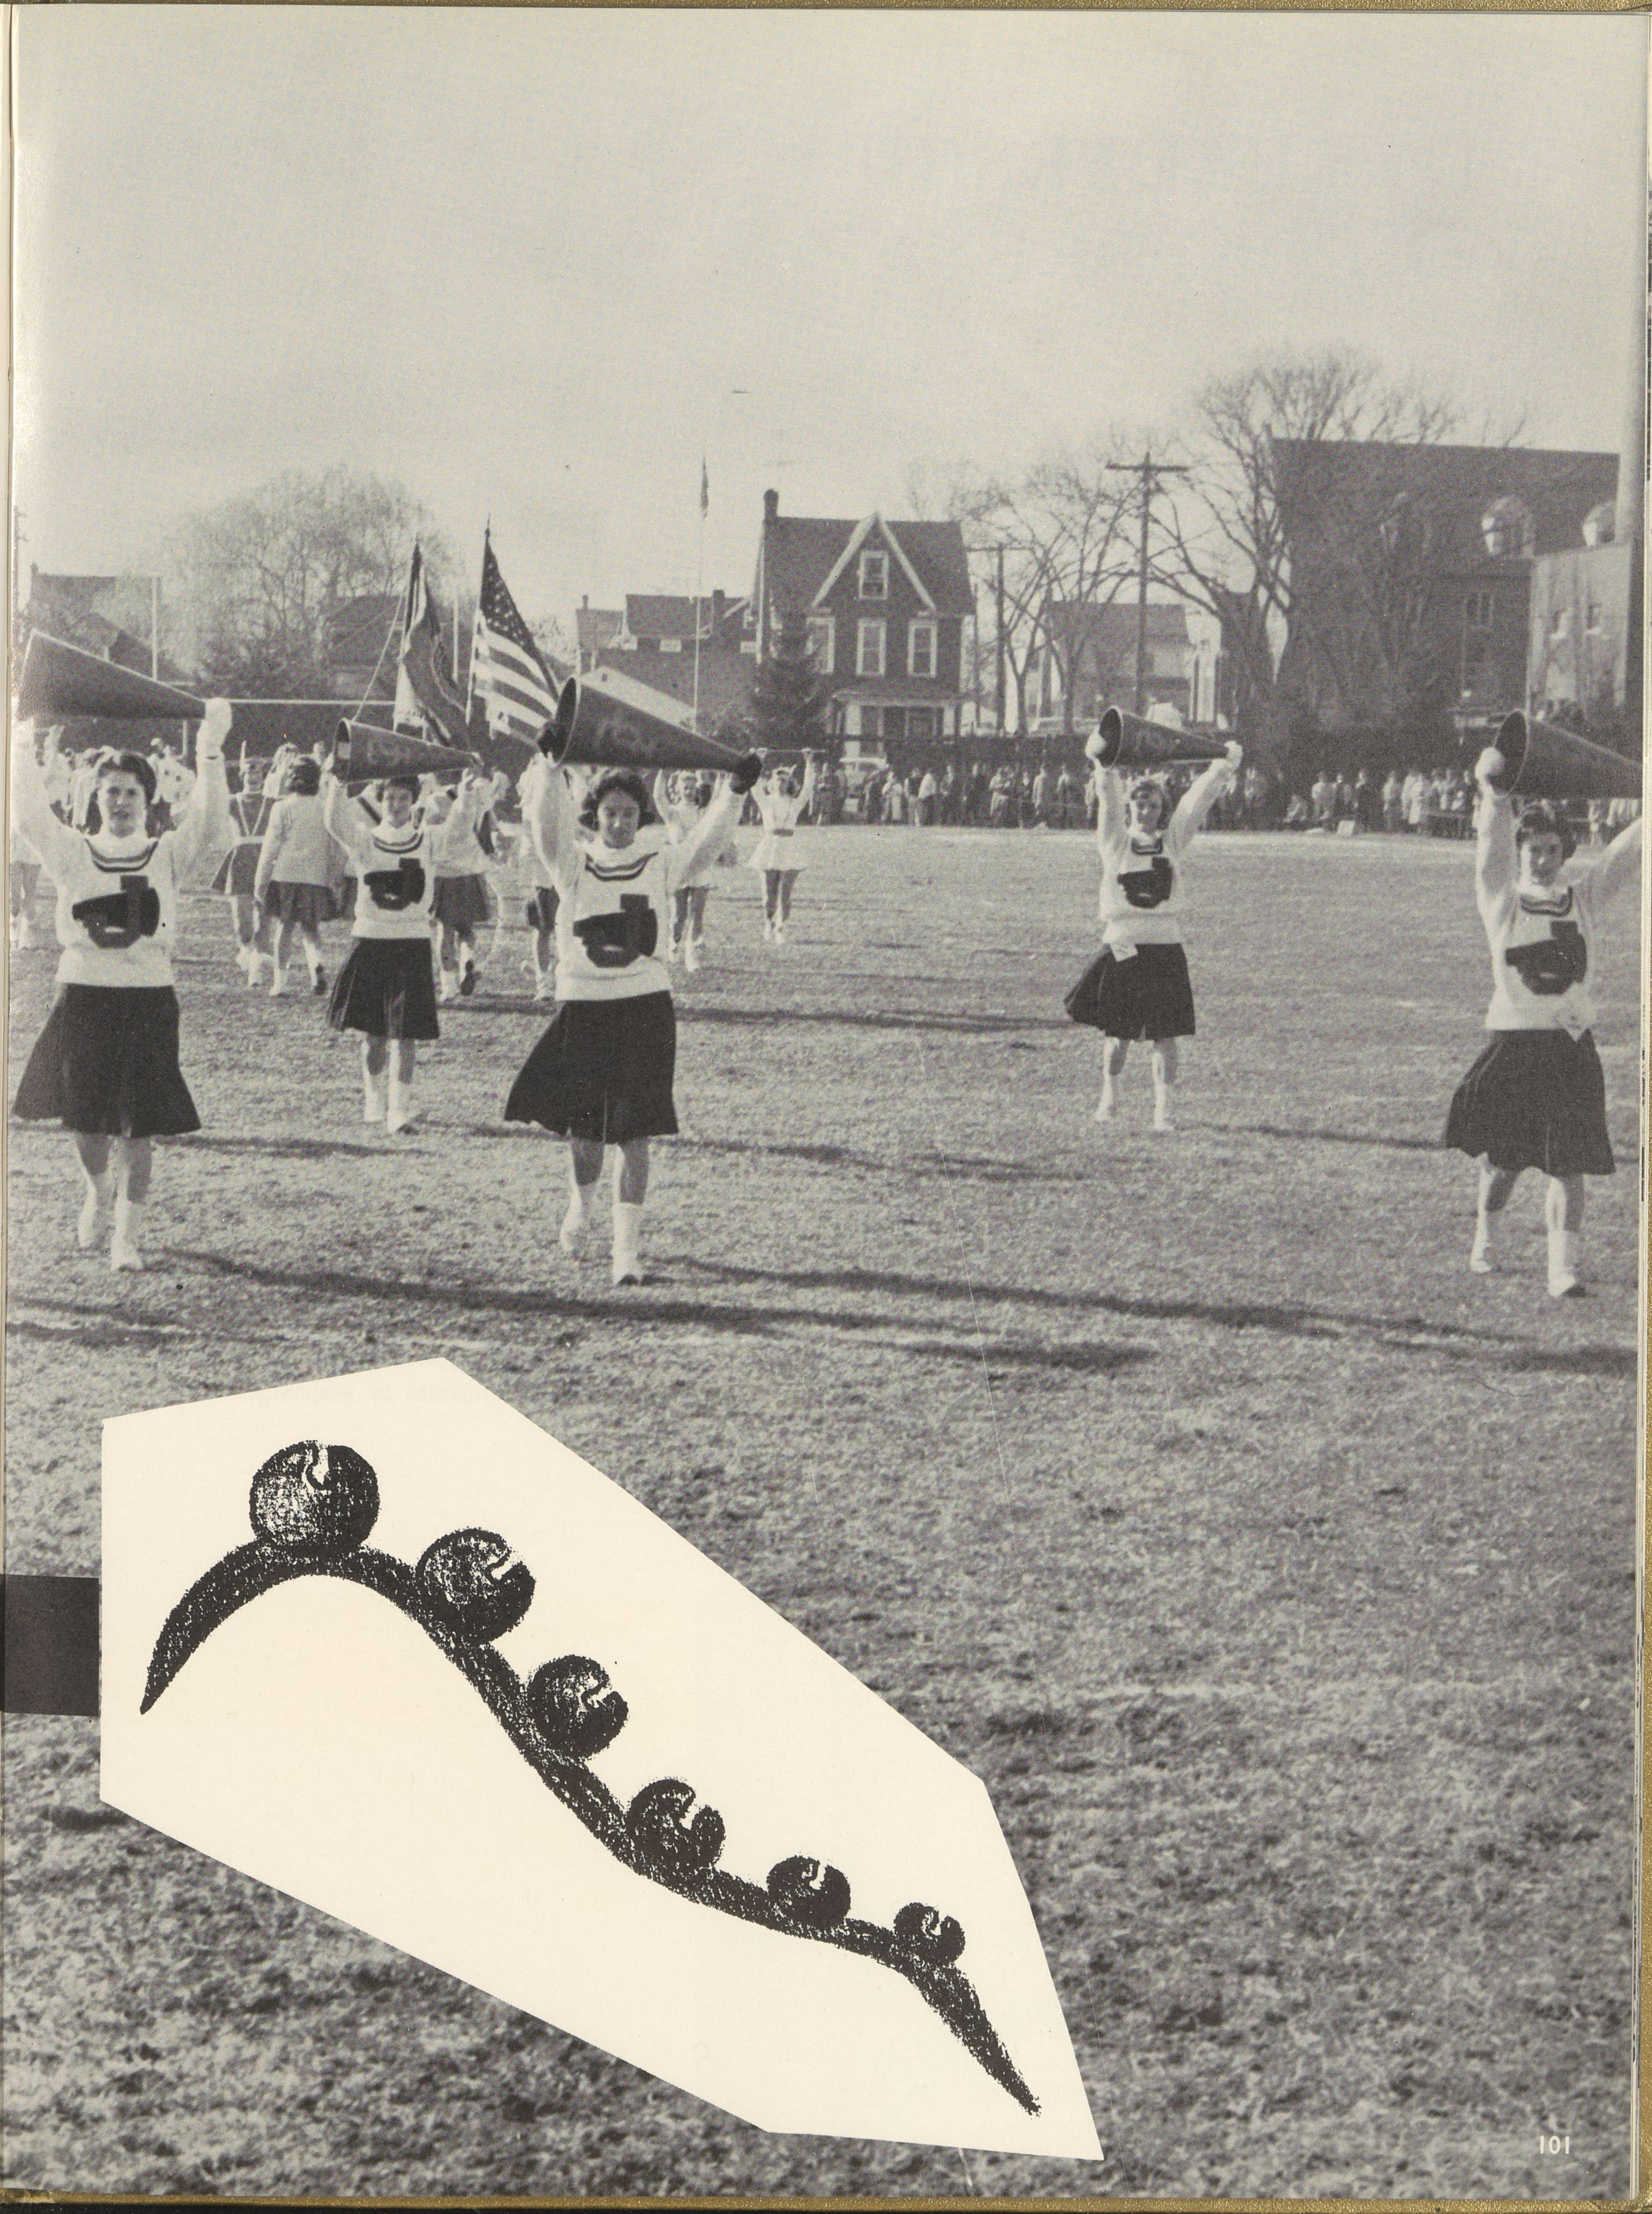
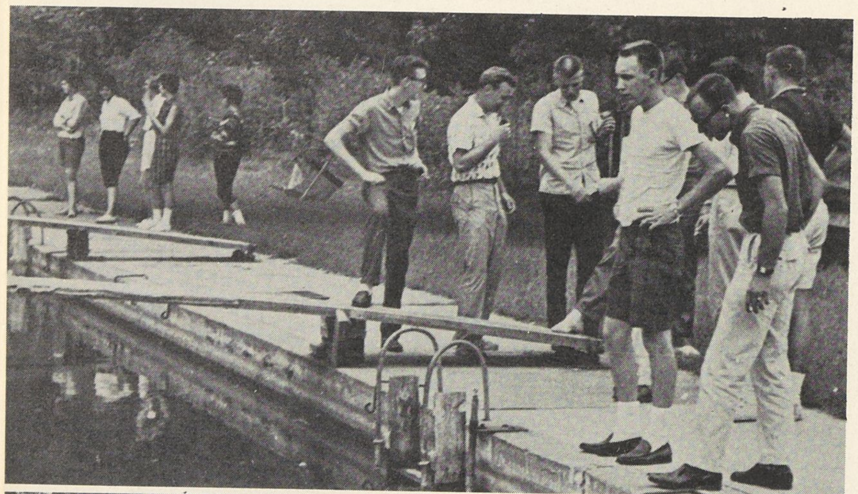
FEATURES

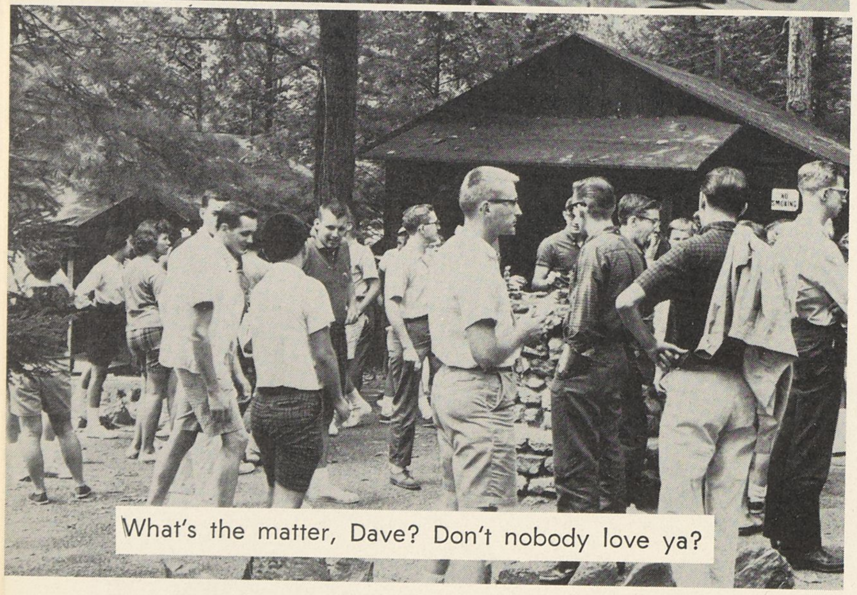


LEADERSHIP CONFERENCE

I call this meeting to order to adjourn it.

Look at the wegs on that wabbit ! !





What's the matter, Dave? Don't nobody love ya?

Ned, did you forget your lines again?

The 1960-1961 Leadership Conference was again held at Camp Kenesatake . . . there JC leaders spent two jam-packed days of meetings and fun . . . social clubs and an honor system were discussed as was the discontinuation of the Pow Wow.

Days were not all spent in work . . . songfests, softball, hiking, and swimming were also in order . . . as was the faculty dinner, at which time the students met the new faculty members.

Through their efforts, abilities, and interests, the students at Leadership Conference strive to make Juniata a better institution of learning.

PRESIDENT'S RECEPTION

"And there on yonder hill . . ."

"Excuse me, I thought you were a waitress."

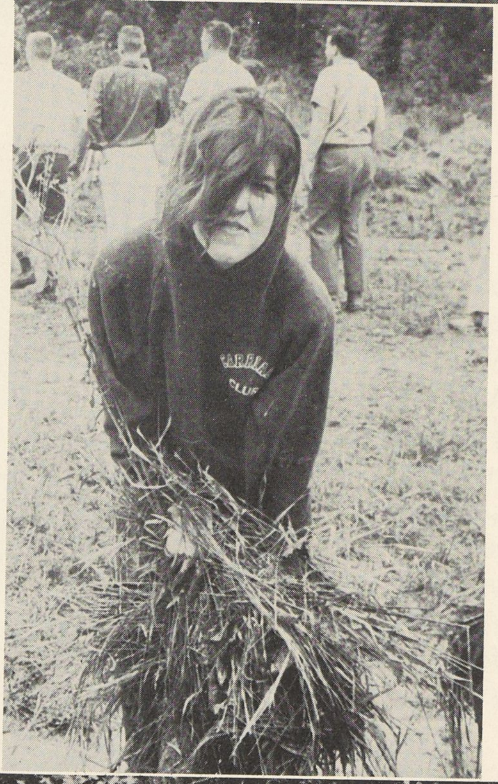
The first chance that the whole freshman class has to meet the President and his wife personally . . . held at the Ellis' home . . . cars driven by Leadership Conference men for efficient transportation . . . introductions made by the Senate members . . . good punch, many cookies . . . served by Sophomore Counselors . . . and freshmen look their Sunday best in good clothes . . . all on a beautiful fall afternoon.

"Now, Mom said if I put the cup in my left hand . . ."

Sometimes I get so confused.

FRESHMAN HELP DAY

Mud up to the knees . . . lost name tags and dinks . . . battles with upperclassmen . . . dirty, dirty Frosh . . . oh yes, and Snowflake Lake was cleaned . . . all this to equal Freshman Help Day.



They say it's the casual look this year, but . . .

Round and round you go . . . paper bag on your head . . . through hail and high water . . . through "What's the best class, Frosh?" . . . through all the evils that the Sophomores could get past the Deans and President . . . to the emergence of a well-rounded Juniatian, one without dink and tag . . . one of the group who made it through Freshman Initiation.

"All right, you guys, get busy!"

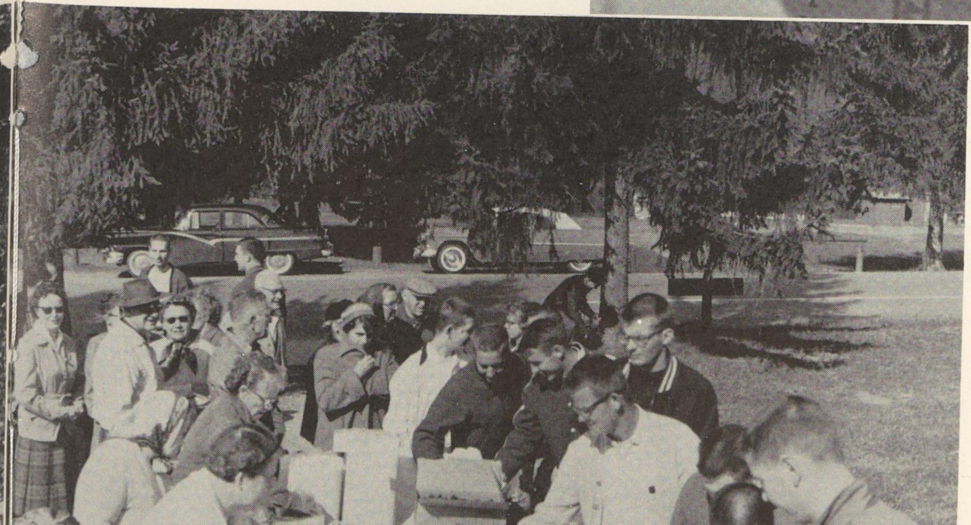
MOUNTAIN DAY

October 12, 1960 dawned bright and clear as Juniata students prepared for a day of fun, fellowship and relaxation . . . Mountain Day was here once again . . . the chosen spot, Colerain State Park . . . cars and buses transported the students from campus to the park where they spent a very enjoyable day hiking, playing games, and just having fun . . . by the time the food arrived everyone was famished and the sloppy joes, potato chips and ice cream sandwiches disappeared in a hurry.

How to lower male enrollment.

Now, Mike, you know you don't need that loud speaker!

No, your family reunion is at the other end of the park.



When the happy, but weary, hikers returned to campus the popular consensus of the group was, "Had a great time . . . can't wait 'til next year."

HOMECOMING

Homecoming Day finally arrived on October 22, 1960 . . . a day long anticipated by the Freshmen for now was their chance to doff the hated freshman "regs" . . . but for the first time in many years the Sophs defeated the Frosh in two events, thus penalizing the disappointed underclassmen for an additional week . . .

That afternoon everyone saw Juniata upset Western Maryland by a lopsided score of 54-0 . . . the high point of the event was the crowning of Miss Homecoming XIII, Jean Davies, by last year's queen Judy Garman Schwalenberg . . . the queen's attendants were the Misses Elanie Spencer and Nancy Cook . . . the frosh also were in the half-time spotlight with the presentation of their original "Indians vs. Western Maryland" skit . . .

In the evening, couples danced in the spirit-like atmosphere of "Green Illusions" held within the beautifully, appropriately decorated walls of Memorial Gym . . .

With the conclusion of the dance came the conclusion of another wonderful Juniata Homecoming.

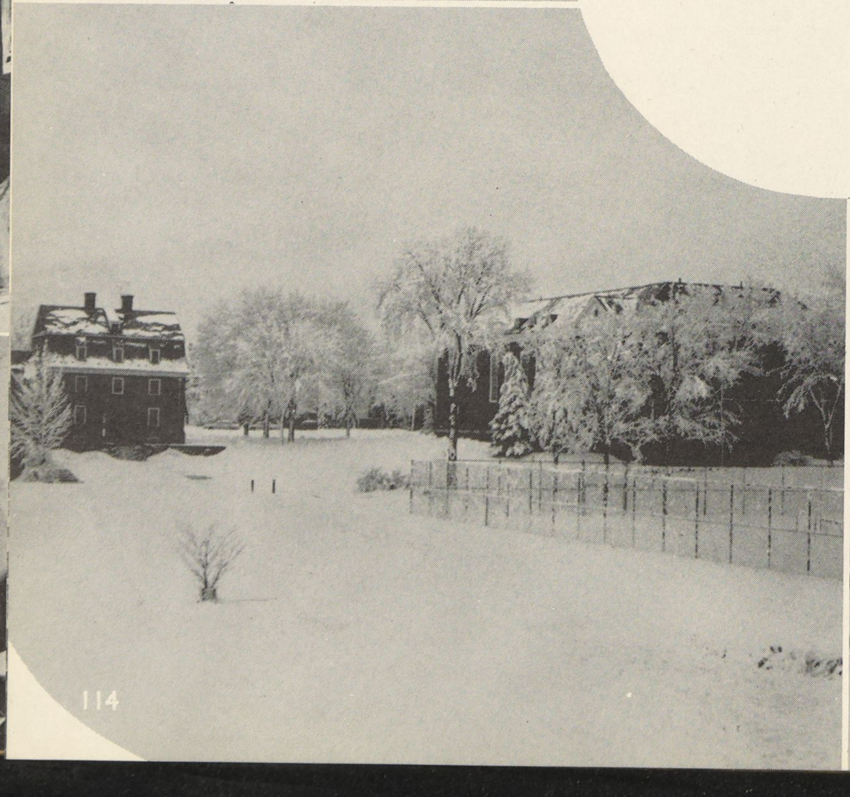
WINTER SN

A steady diet of drink will make one an alcoholic . . . a steady diet of starches will make one obese . . . a steady diet of snow will make one . . . frustrated, insane, delirious . . . That well-known song might easily have been changed this year to include, "I'm dreaming of a white New Year, semester break, mid-winter weekend, Easter or May Day" . . .

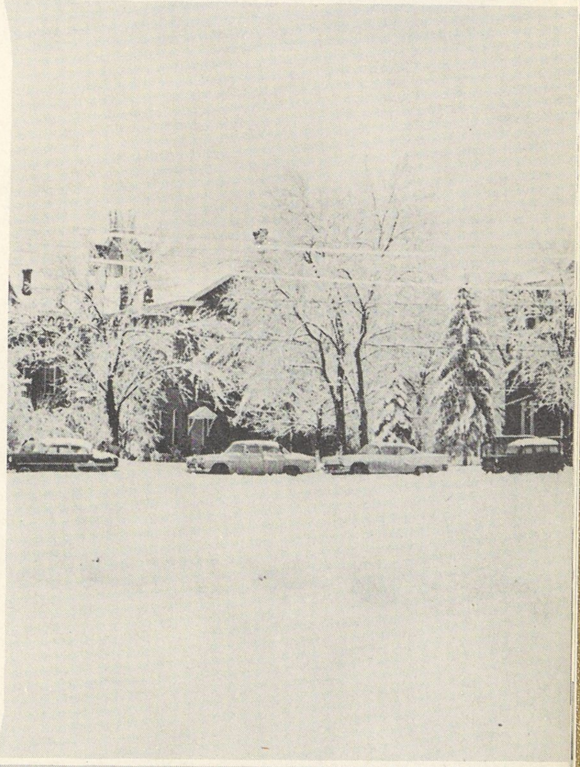
Yes, Old Man Winter may have overdone it a little this year . . . but think how dull conversation on campus would have been had there not been snow to complain about . . . or think of the couples who would have had no opportunity to take those romantic walks 'midst falling snow . . . or keep in mind the fun which would have been missed . . . snowball battles, sledding parties and just plain "horse play."

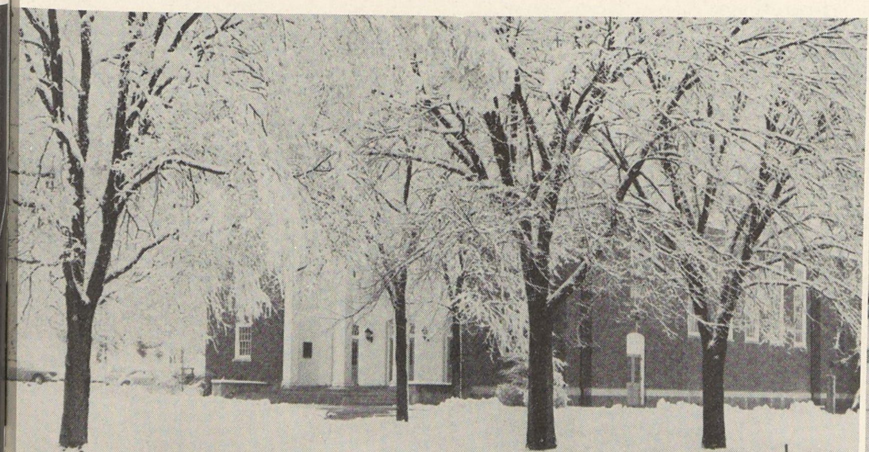


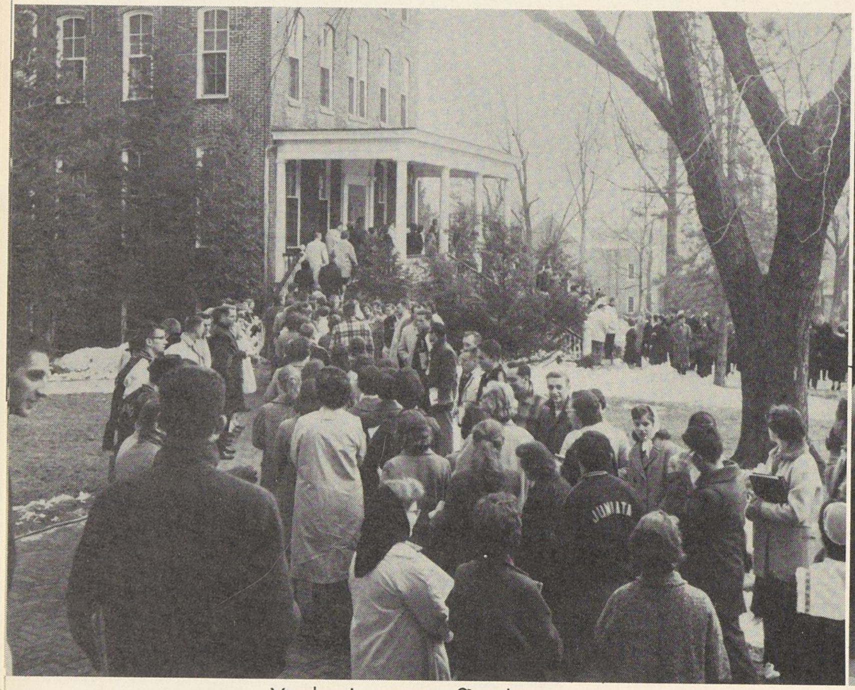
ER SNOW

To many, snow suggests merely an unfortunate occurrence which must be endured . . . a climatic phenomenon denoting hardship and ill-luck . . . this is one side, but there is yet another . . . the side of beauty, elegance and fantasy . . . for what is more breath-taking than awakening to find campus completely ice-coated . . . each tree, wire, building combining to form a mystic, fairyland-type environment . . . or gazing out of a window after dark to see campus transformed into a true "Wonderland by Night."

This has been our winter . . . one which will not soon be forgotten . . . although all have endured it . . . and most have enjoyed it . . . we cannot help but conclude by saying, "Please, Old Man Winter, take it easy on the white stuff next year!"







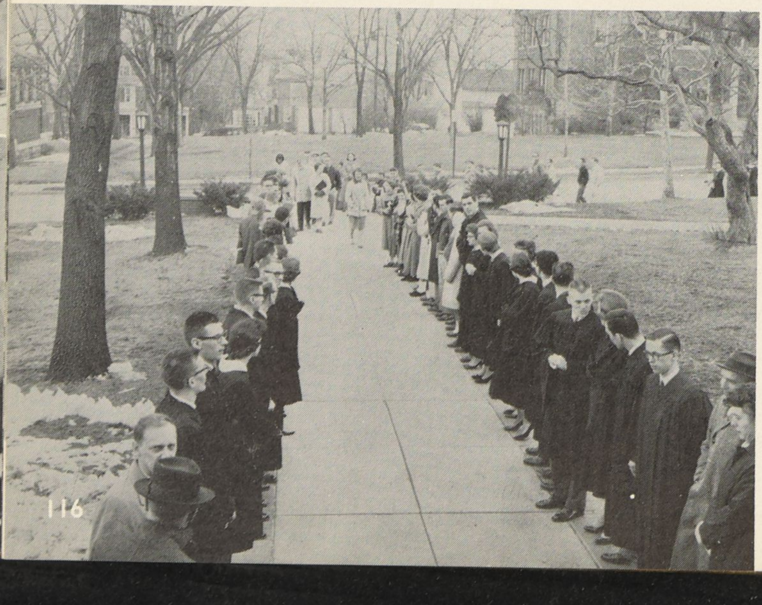
Yeah, I agree, Stan!

One more practice should do it!

MOVE-UP DAY

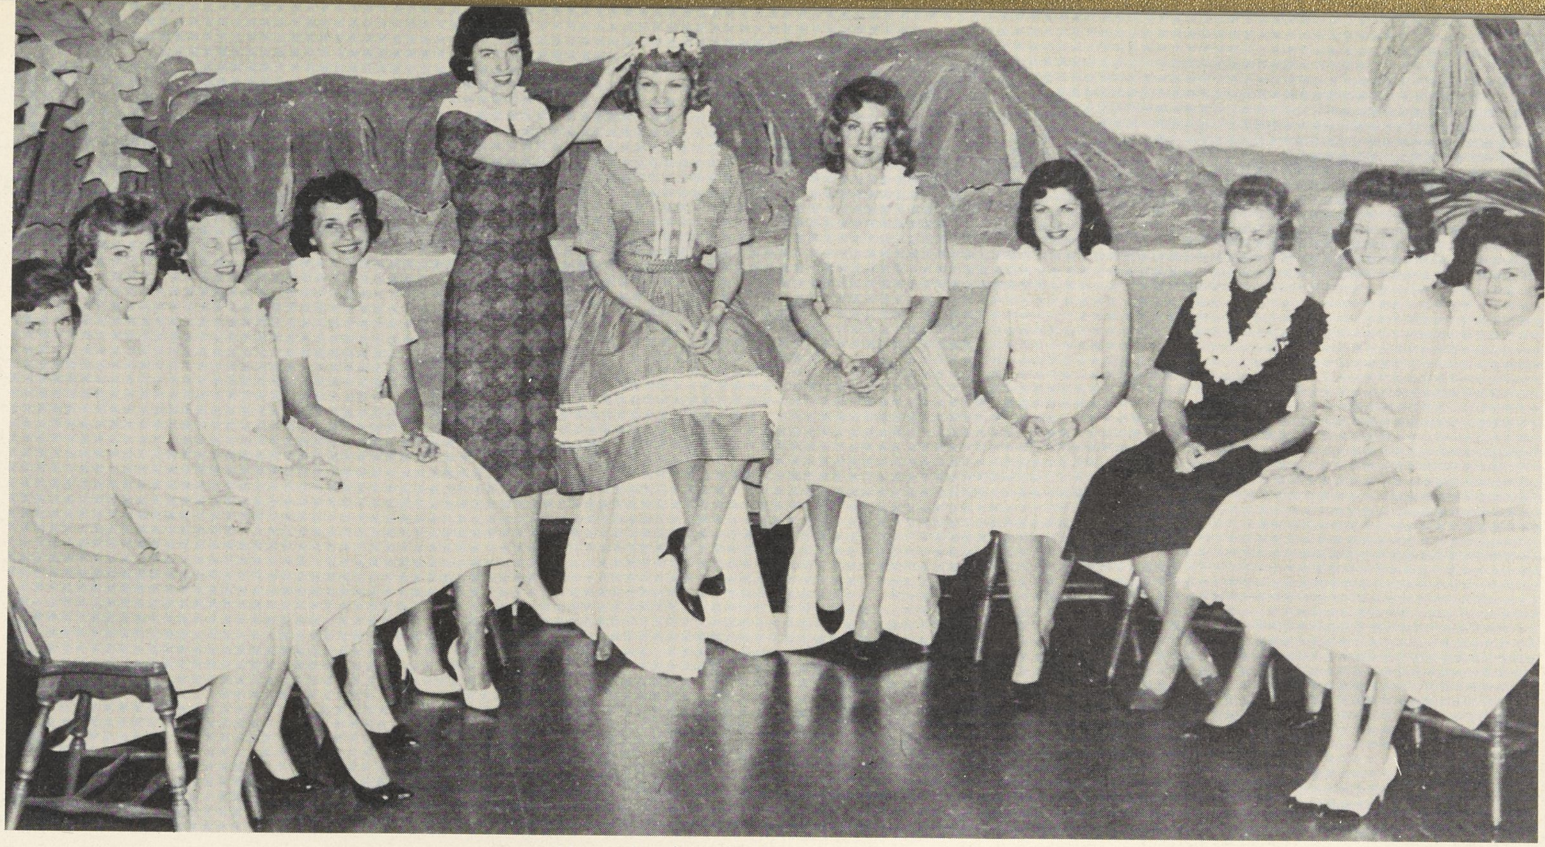
Supposedly—the first walk up the diagonal.

You, too, can fill these shoes.



A traditional event observed toward the end of March . . . features a special chapel service . . . all students advance in class standing . . . new campus leaders take over . . . Senate officers and chairmen are installed . . . class officers and club presidents are introduced . . .

After chapel, the Freshmen form a processional . . . walk the Sophomore-lined diagonal "for the first time" . . . sing college songs and cheers from the previously "off-limits" front steps of Founders Hall . . . Freshman women assume upperclassmen hours.



How do they look so good so early?

MAY DAY BREAKFAST

Spring has again made an appearance . . . time for another May Day Breakfast . . . all preparations and last minute touches are being completed . . . one time when all girls receive the honor of being served a special breakfast by our Juniata men . . .

A lovely, colorful scene is created by the girls dressed in their gay spring frocks . . . a sight to behold . . . the last moments of suspense draw to a close with the announcement of the May Queen and her court . . . as well as the revealing of Prince Charming . . . this big moment lives forever.

Hawaii never had it so good.

MAY DAY CORONATION

Each one a queen!

With thumbtacks—how else?

Ah g'wan. I bet you say that to all the girls!

Palm trees, grass huts and pineapples added to the Hawaiian theme of the May Day weekend 1960 . . . reigning as Queen and Prince Charming over the festive occasion were Lucy Kreibel and Larry Derstine . . .

Heavy rains on Saturday did not seem to dampen the spirits of the court or the subjects . . . the coronation, held in the gym, found Lucy crowned Queen of the May by Prince Charming Larry . . . Maid of Honor, Judy Garman . . . Senior Attendants, Jill Muir and Carole Schenck . . . Junior Attendants, Nancy Cook and JoAnne Stauffer . . . Sophomore Attendants, Linda Mitchell and Betty Scott . . . Freshman Attendants, Elaine Brittingham and Joan Hively stood by in regal splendor . . .

Entertainment for the royal court featured the traditional May Pole Dance by the freshman girls in typical Hawaiian dress . . .

The weekend was completed by a dance in East Hall Recreation Room, dining hall and patio . . . all magically transformed into the beautiful island of Hawaii just for this occasion.

The mature, sophisticated co-ed.

FOOTBALL 1960

It ended as it had begun with a hard-nosed Juniata football team in a driving, fighting finish. The stage will be bare of records and trophies when the curtain rises next fall but in the stands will be "Fats" Falcione, Roy Martin, John Pessy, Dave Helsel, Jim Seacrist, Harry Long, Stan Walasik, Emery DiDonato, Bob Melago, and Pete Emrick, who can reflect upon a job well done in four years of playing on one of the best small college teams in the nation.

As Tribe teams race onto the gridiron in future years, these ten seniors can remember with the rest of us and be proud of the last act in their pigskin play.

The Westminster Titans came on opening night determined to wreck the Indians' wigwam. The Titans captured a lot of the enemy territory but the Tribe's defenses held, along with the 6-0 score at the end of the battle.

In the second scene the Indians staged a re-run of the Battle of Gettysburg and were shot down by one large, lumbering Bullet. It will be a long time before JC fans forget the 230-pound tackle turned halfback who grounded a high-flying Juniata team and sent the Tribe to their first defeat.

The Indians brought their troupe home the following weekend and proceeded to scatter a team of strong, well-trained Greyhounds. Moravian was hit with two seven-point raids within the first five minutes and could never make up the deficit and the Tribe chalked up number two.

For the fourth scene the JC Redmen staged a massacre. The Tribe came on with the highest scoring second half in Juniata's history and shot 54 holes in Western Maryland's defense. The explosive power and precision of the attack prompted the Sunday papers to headline the story with one word: WOW!

Next on the call sheet was a Halloween performance. While the ghosts and goblins were tuning up for their terrifying ride across the Scranton sky, the Indian forces pulled a trick-and-treat and dive-bombed the Royals' ground forces. The Tribe blasted the pumpkin and found a 28-14 victory inside.

It was a lovely day to stay home when Drexel invaded College Hill to do battle on the gridiron. Still the Indians came on their white charging steeds, drove the Dragons into the mud, and returned to the fireplace to warm themselves on a 42-0 victory.

The final curtain fell on a fine performance; but it was too little too late. The Indians went out on a Lion hunt but finished the afternoon as a meal for the Albright pride. The Lion found his prey with disturbing ease; however, he found it mighty hard to chew his way to the 27-14 victory.

The stage is bare, the crowd has gone; but the memories linger on.

CROSS COUNTRY 1960

It was a strong core of experienced runners, a good crop of freshmen, and more depth than ever that sent the Indian harriers through their fourth straight undefeated season. This year's eight victories raised the win mark to 26 in a row, making the all-time record a very impressive 29 wins and one loss.

Don Layman, fleetfooted senior from Somerset, again paced the pack of six runners who were simply too strong for all dual meet opposition. Behind Layman, the big guns were sophomore Bob Berthold, junior Charlie Mack, senior Galen Heckman, junior Ned Smith, and freshman Bill Chew.

The depth of this year's team was astounding. Right behind the "big six" were a group of runners who might have posted a respectable slate all by themselves. These were Chet Berkey, Bob Ingram, Dave Samuel, Karl Baer, and Al King. Ken Shortlidge, Bob Chidester, and Charlie Stoner rounded out the squad that was coached by Mike Snider and Frank Hrach.

The hustling Indians scored an average of only 18 points through the dual season, the minimum being 15, while their opponents averaged 41 points of a possible 50.

Temporary loss of Bob Berthold and a "bad day" gave the team a mediocre ninth in the Middle Atlantic Conference run, but the season was capped by a fine showing in the NCAA small college championship at Wheaton, Ill., where the harriers finished fifteenth in a field of 27 top-notch teams from all over the nation.

WRESTLING 1961

Lack of experience and an overloaded schedule accounted for the Tribe's showing in the '61 campaign.

However, the sport is relatively young hereabouts and is still in the process of building. With such men as John Veals, Ken Harkcom, Duke Snyder, Bob Cassidy, Steve Barnett and Grey Berrier returning to next year's squad, prospects for the future seem bright.

Key men leaving us via graduation are Dave Helsel, Harry Long and Ted Keiser.

BASKETBALL 1960-61

From the standpoint of victories, the '60-'61 basketball campaign was far from a fruitful one for the Indians. Perhaps the best that can be said is to chalk it up to experience.

However, the won-lost record tells only half of the tale; there were plenty of close scrapes and many heartbreakers. Upon several occasions it was indicated that the tribe was potentially a smooth-running unit.

The only letterman that the team will lose via graduation is Captain Jack Heading. To form the nucleus for next season are nine others—Juniors—Stan Hallman, Bruce Smith, Bucky Brumbaugh and Mike Gilmore; Sophomores—John Long, Tom Tyson, Pat Frazier and George Zeigler—who should prove a more formidable outfit with the experience gained this year. In his fledgling year, Bob Banner revealed himself as a man of potential who will be counted on to round out the squad.

Doc Greene's chargers were plagued with injuries and academic difficulties to complicate the situation. From all indications, however, he may look forward to an improved team next season.

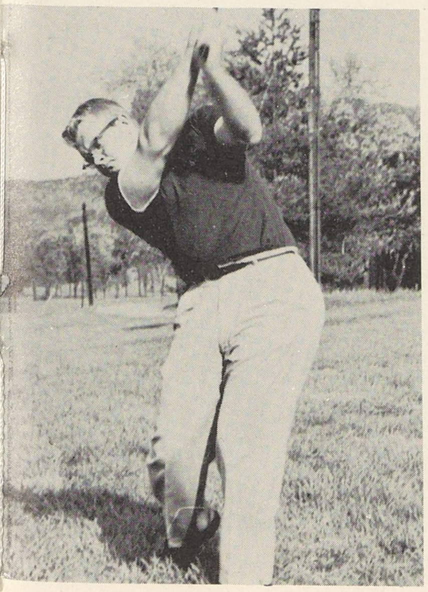
GOLF 1960



Jack Vernocy—Jr.

Juniata College's golf team moved back among the ranks of the collegiate powers in 1960 by winning nine of eleven dual matches and placing second in both the Middle Atlantic Conference and NCAA Coast Regional championships.

Paced by a smooth-swinging junior from Coraopolis, Jack Vernocy, who won 10 of 11, the Indians lost only to the University of Pittsburgh and West Virginia and whipped all the small college opponents on the schedule.

Then, the Tribe teemen finished second to Bucknell University in the Middle Atlantics at Newark, Delaware, and climaxed the best season since 1951 with a second-place finish to Lynchburg College (Virginia) in hosting the NCAA regional played at the Huntingdon Country Club.

Vernocy had plenty of help from Jay Gettig, senior from Verona, defending champion in the NCAA regional; Stan Dudzinski, freshman from McKees Rocks who won eight dual matches; Jim Williams, a former Moon High teammate from Glenwillard; and Ray Erney, sophomore letterman from Harrisburg.

As the team loses only two of its top six men, Juniata students can look for another successful season in 1961.

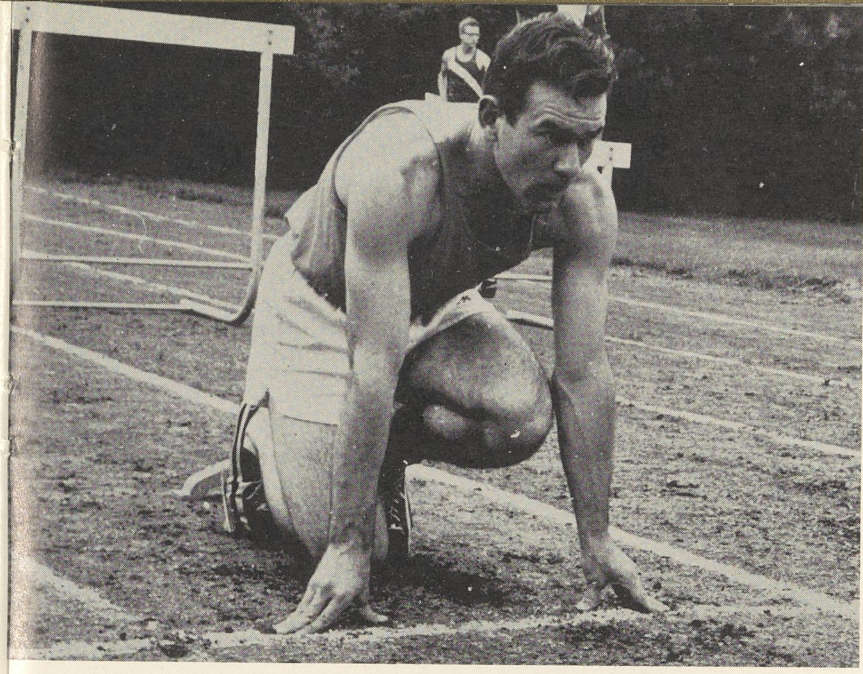
TRACK 1960

The 1960 track season started slowly for the Juniata thinclads, with the loss of the first four meets. But, in true Juniata tradition, they rebounded from these losses and came on to win the last three engagements.

The season had many outstanding highlights and featured performances by Don Layman, Dick Johnson, and George Patrick. Two records fell to the trackmen. Don Layman broke the long-standing record for the mile twice during the season. He set a new mark of 4:34, but lowered this to 4:29 against rival Dickinson. Don also competed in the Middle Atlantic Championships at Gettysburg, finishing second in the mile, despite one of his best performances, and third in the half-mile. Dick Johnson led the fieldmen of the team and established a record of 189'6'' in the javelin throw. In competition in the Middle Atlantics, Dick finished a very close second, losing on the last throw. Other competitors in the Middle Atlantics were George Patrick, who was fifth in the broad jump, and Terry DiGruttolo, who was sixth in the 100 yard dash.

You'll never catch me.

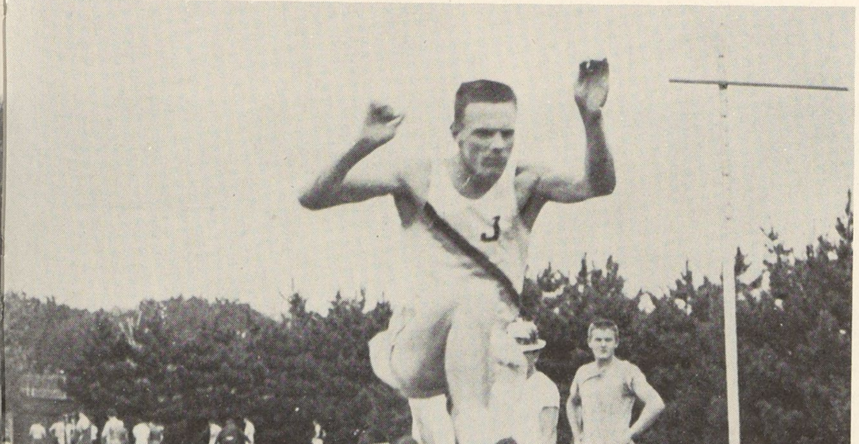
We, the jury.

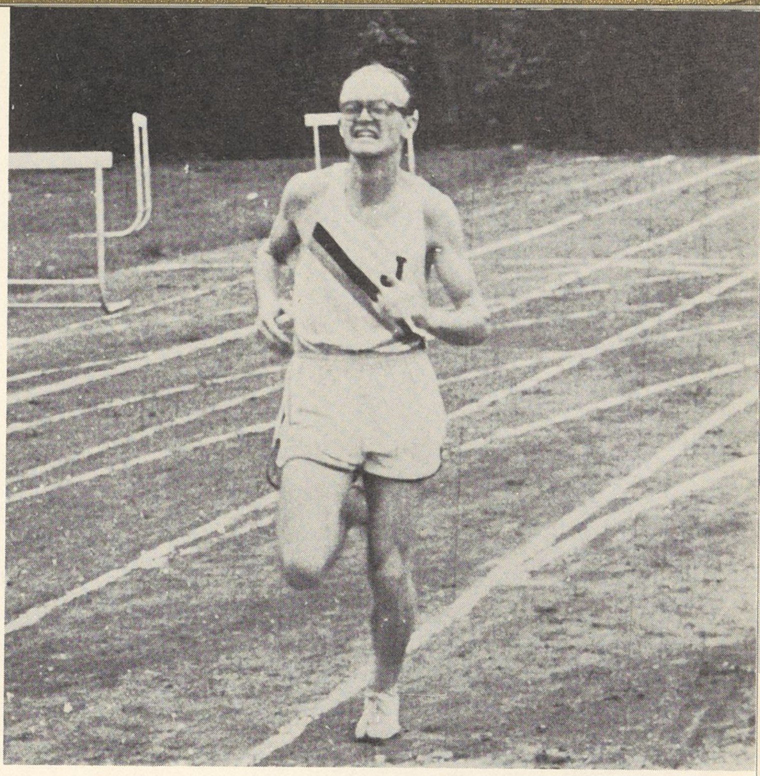


On your mark—get set . . .

Juniata man puts javelin into orbit!

Say cheese, George.





Layman—first again.

BASEBALL 1960

Again the baseballs fell on the winning side of the scoreboard for the Indians and again, as for the past three seasons, Don Ross led the team to a winning (7-4) season.

While Ross, power hitting third baseman signed by the Baltimore Orioles, was dumping balls over the fence and where the opposition wasn't for a .442 average, another talented Harrisburg "bonus" star, Bill Berrier, was slugging out a .341 average to earn a contract with the Los Angeles Dodgers.

Three others finished in the .300 circle to help boost Juniata's team batting mark to .288. They were: Bob Melago, second baseman from Bovard, who hit .340; Stan Walasik, catcher-outfielder from Carnegie, .306; and Roy Martin, North Braddock outfielder, .300.

Bill Miller, a junior righthander from Carnegie, picked up three victories without a loss to lead Coach Bunn's pitching staff. John Mullen, Sophomore from Huntingdon, won two without defeat.

A third "bonus" player, Ed Hoffman, lefty-hitting outfielder from Saltillo, who has signed with Cincinnati, led the Indians in RBI's with 18. Ross was the leader in runs, hits, and extra base blows. Ross and Bill Berrier each slammed five home runs.

In briefly reviewing the 1960 season: the Indians put together 17 hits, nine miscues, and a fine pitching performance by Bill Miller to easily gain their first victory of the season over Shippensburg 21-5.

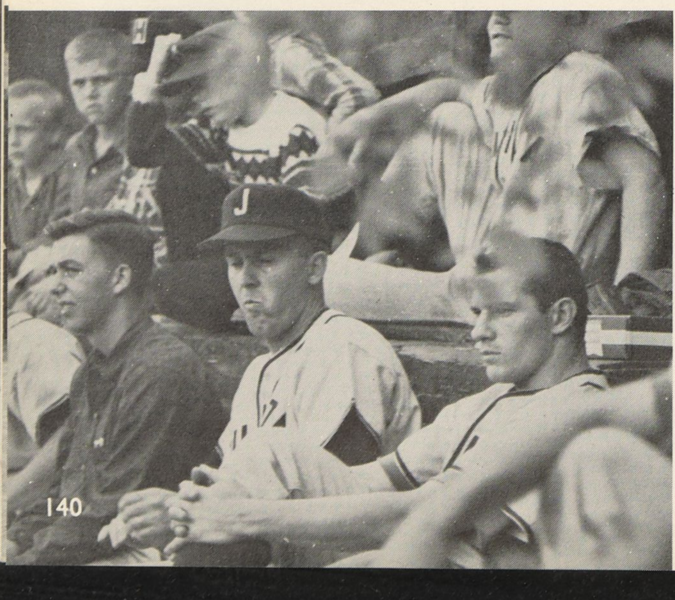
The Tribe went on to win its second game at Indiana in a wild 19-13 slugfest, but returned home to defeat at the hands of Dickinson 2-1 despite a fine job by freshman hurler Ron Poruban.

A thirteenth inning single by Don Ross brought Washington College up on the short end of a 2-1 score; however, the following week Elizabethtown turned tables and banged out a late inning 5-2 win.

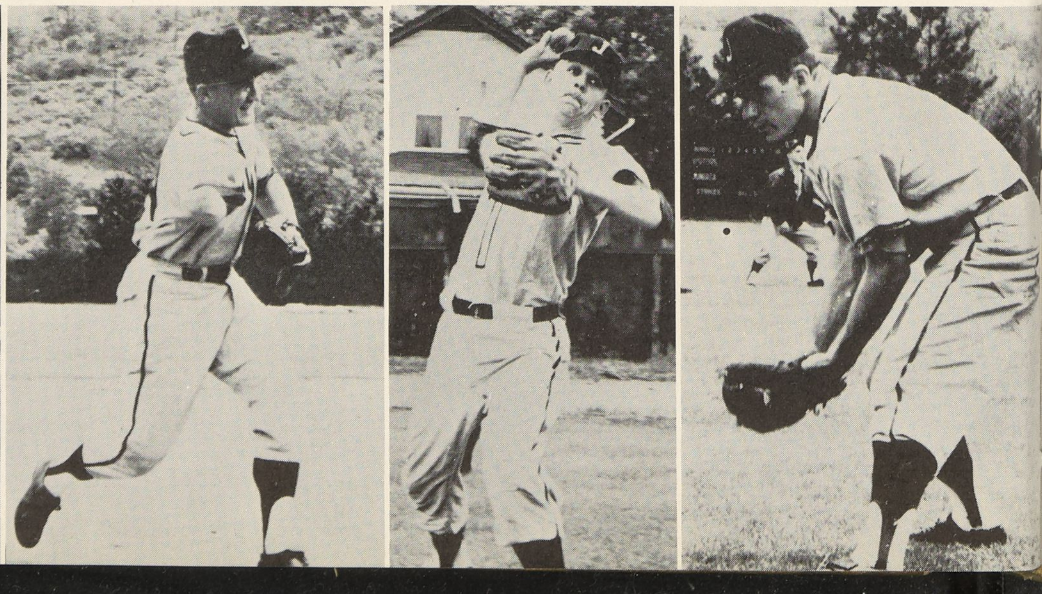
The Indian nine then went on to pick up two important MAC victories over Albright and Lebanon Valley College, fall again at E-town, and came up swinging to down Susquehanna

With Lycoming rained out, the Tribe rounded out the season by bagging the tough Pitt Panthers 13-12 and losing the final contest in an 8-7 squeaker to Upsala.

I'll never smile again.



The . . . Big . . . Three ! !



How sweet it is.

BONUS BABIES

Juniata will at last be connected with major league professional baseball. Three members of the 1960 JC squad have been signed to contracts.

Not since Joe Shaute left Juniata in 1922 to go with Cleveland has there been such bright hope for a ball player from this college making the "big time."

Leading prospect among the three for playing pro-ball is Don Ross, the Tribe's talented power-hitting third sacker. The leading batter for the Indians for the past three seasons, Ross signed with the Baltimore Orioles after getting offers from twelve major league clubs.

Ross led the Tribe to a 7-4 season with a .442 batting average. Since signing, however, he has been traded to the new Los Angeles club of the American League.

The Indians' Little All-American fullback Bill Berrier inked in a pro baseball contract with the Los Angeles Dodgers. The strong-armed centerfielder was second in the team batting race to Ross with a .341 average.

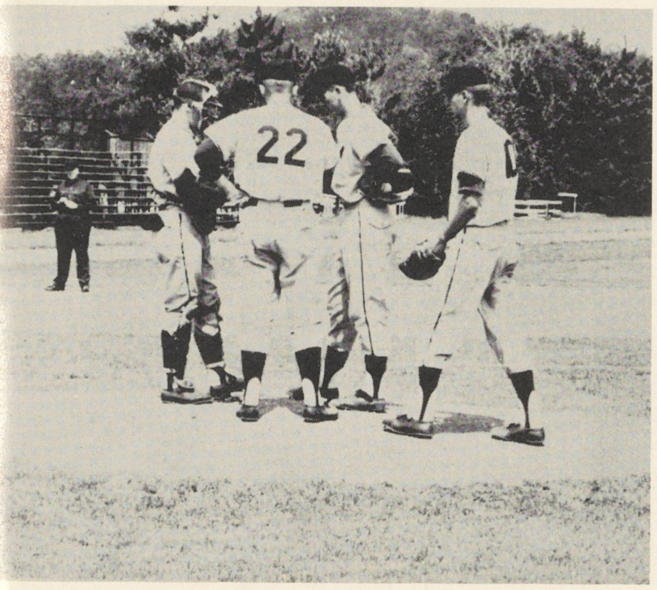
Both Berrier and Ross hail from Harrisburg and lettered four years in baseball. Berrier had to turn down several pro football offers to start his baseball career.

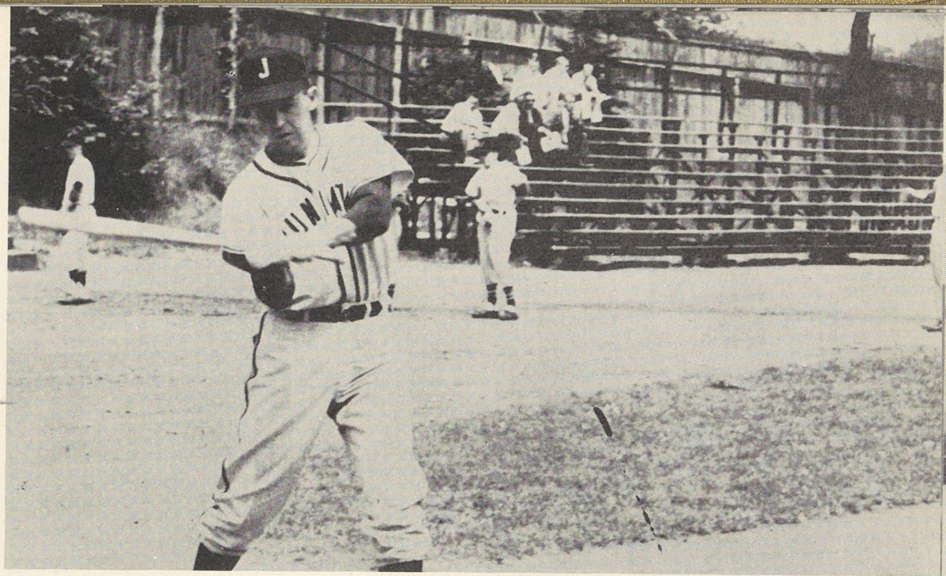
The third Juniatian to sign caught many by surprise. Ed Hoffman, '61, who just finished playing his first full season with the Indians, was grabbed up by the Cincinnati Redlegs.

It really was nothing!

Good form, Bill!

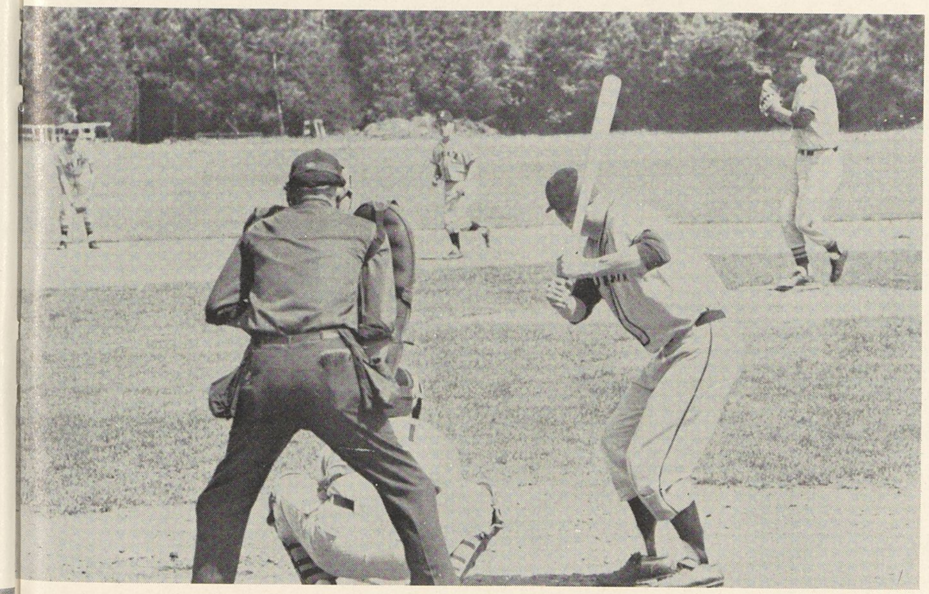
What's playing at the show?





Everyone is getting into the act.

Safe . . . or . . . not safe?



I'm ready for anything.

TENNIS 1960

Ray Pfrogner

Under the coaching of Mr. James Thomas, former instructor of art, the Indian netmen showed improvement over the past several seasons, and wound up with a 3-6 record. This record does not tell the story completely, however, as team co-operation, competitive spirit and player morale were high throughout the season culminating in a victory over highly rated Pitt in the final tilt.

Senior Ray Pfrogner, junior Jack Merrill and sophomore Pete Christie were the returning lettermen making up the core of the 1960 squad which was joined by Wayne Patterson, Chick Weist, Mike Pentz, Dave Barr and Karl Baer. Later in the season the team received a new member, Stan Conner, who proved to be an invaluable competitor and a constant winner. With this roster the netmen now had the depth which formerly they lacked.

The fate of the team in the 1961 season is dependent upon the remaining lettermen and several promising freshmen along with a new coach.

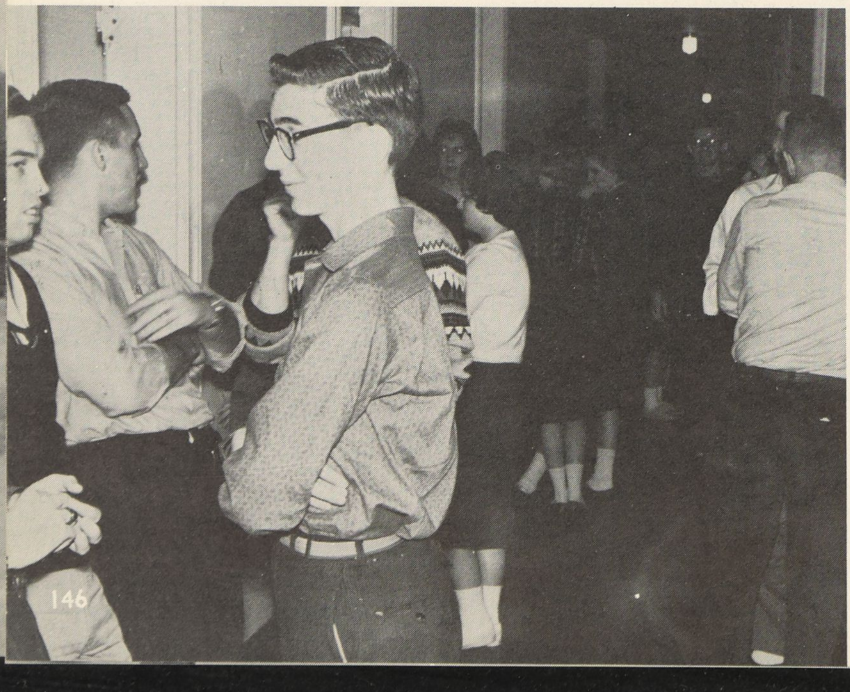
WAITING FO

Now look, lady, I said *one* fried egg, not two.

You have now seen on the division pages how bells may be associated with each part of campus activity . . . bells also denote the passing of time . . . even the normal day of a college student is carefully paced by bells . . .

The day of a typical JC'er involves staying in bed as long as possible . . . until he can no longer stand the screaming of the alarm bell . . . waiting in the breakfast line until some kind soul hears the bell and decides it is time to feed these sleep-walking bodies . . . timing himself so that he enters class precisely as the late bell rings . . . enduring the hour because he knows a professor should not dismiss class at least until the next bell rings . . . calculating during the dismissing carillon bells of chapel if there is sufficient time to rush to Tote before reporting to the next class . . . and so the morning goes on . . . until the student finds himself in line waiting for the lunch bells to ring . . . complaining of the long time his body has been without nourishment.



The lunch line—
literally!

All right, who's the wise
guy that has the key?

NG FOR BELLS

Even that speaker was better than this weather!

Well, what did you expect—elevators?

There are other activities throughout the day regulated by bells . . . waiting for the library to open which coincides with the ringing of the tower bell . . . waiting for a date to begin with the ringing of the buzzer . . . the ending of most dates with the rush to say good-night before the bewitching Cinderella-like bell . . . and finally the day is done with no more bells to worry about until tomorrow . . . but the co-ed has forgotten one . . . one bell whose ringing is timed to coincide exactly with the first minute of slumber . . . the fire alarm.

And so, fellow students, admit it . . . your life is governed by an intangible whip known as time . . . regulated by bells.

Marty, this is a fire drill,
not a beauty contest!

FINAL PEAL

With the last tolling of deadline bells, we put away our layout sheets, rulers, photographs, and typewriters to survey our accomplishments.

From the top of the tower, one year on College Hill appears much like another. There have always been eight o'clocks, football games, pro slips, comps . . . and there always will be. But in the midst of things, each year rings with a personality all its own. It is this spirit that we have tried to capture so that ten years from now, you who have spent this year at Juniata will smile when opening this book at the memories that return.

The task of editing a yearbook is a big one, but an impossible one without the cooperation of a great many people. I'd like to express my appreciation to all the staff who persevered to meet those horrid deadlines; to C. C. Read for his understanding and many contributions; to Bill Engel, our "answer man" for many problems; to Steve Suhey, "go-between" for the publisher and the staff; to the advertisers for their interest and support. But most of all, the credit is to you, the student body, for providing the "bells" of our story, the sound of Juniata.

DORIS WHITECAR
Editor-in-Chief

ALMA MATER

To Juniata, College dear,
In praise we raise our song,
The place of loyal hearts and cheer,
Which we have loved so long.
We love the pathways to and fro,
The classrooms and the halls;
We'll ne'er forget tho' far we go
The days within her walls.
